

“Autism and Related Disorders”

WEDNESDAY, June 25, 2025
12 P.M. CST

PRESENTERS

Ileana Umana, Ph.D., BCBA

Assistant Professor, Baylor College of Medicine, Texas Children's Hospital

Laura Buckner, M.Ed., L.P.C.

Program Manager, University of Texas, Texas Center for Disability Studies and MOM

This webinar series is presented by Baylor College of Medicine, the University of Texas Center for Disability Studies, Texas Children's Hospital and the Department of State Health Services.

Learning Objectives:

- Identify core diagnostic features of ASD and ADHD and highlight overlapping symptoms in children.
- Explore common comorbidities (e.g., anxiety, learning disabilities) and their impact on symptoms and daily life.
- Review typical interventions for neurodevelopmental differences, including behavioral, educational, and therapeutic supports.
- Describe the difference between a child's medical diagnosis and the holistic view of a child's life and meaning.

Accreditation Statement Texas Children's Hospital is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This nursing continuing professional development activity awards 1.0 contact hour.

Additionally, The University of Texas at Austin Office of Professional Development Steve Hicks School of Social Work is providing 1.0 social work continuing education credit.
